

**RS – 208 - NEW ENGLAND CONFERENCE COMMITTEE ON LEADERSHIP  
REPORT JUNE, 2009**

The following is the report of the Committee on Leadership based on information available as of May 31, 2009. Updated information will be shared during our report time on the floor of Annual Conference.

The Committee on Leadership has worked very hard to insure the accuracy of our information. We have worked and will continue to work diligently to find persons to serve and strongly encourage each of you to complete our Nomination and Talent Inventory Form (copy is on last page) so that you too may have the opportunity to serve New England Conference.

Welcoming Vermont folks and making leadership opportunities available beginning in 2010 has been part of our ongoing discussions this past year. We have invited persons from Vermont to work with our committee during the coming year to be sure that we have representation wherever possible beginning in July 2010.

We are personally grateful to each member of the Leadership Committee. We would commend each member of the committee for their tireless dedication. We would like to also thank Ruby Blake for her dedicated service to the committee.

On behalf of the Committee on Leadership,  
Richard Gross & Linda Reiber, Co-chairs
