

RS – 218 - COMMITTEE ON LEADERSHIP REPORT JUNE, 2008

The following is the report of the Committee on Leadership based on information available as of May 31, 2008. Updated information will be shared during our report time on the floor of Annual Conference.

The Committee on Leadership has worked very hard to insure the accuracy of our information. We have worked and will continue to work diligently to find persons to serve and strongly encourage each of you to complete our Nomination and Talent Inventory Form (copy is on last page) so that you too may have the opportunity to serve New England Conference.

I am personally grateful to each member of the Leadership Committee. I would commend each member of the committee for their tireless dedication.

On behalf of the Committee on Leadership,
Linda Reiber, Chair
