We're convinced that God has a great vision in mind for New England United Methodists to reach thousands of new people across our region. In addition to strengthening our existing churches, we know that we'll need dozens of new churches reaching these new people in new ways.

The next step for us in living into this great vision is to pray to the Lord of Harvest.

Led by Curtis Brown, our Director of Congregational Development, we're traveling around New England and inviting people into our three foci of prayer:

- Thanking God for our existing churches
- Invoking God's blessings for our communities, regions & neighborhoods
- Asking God to raise up leaders who can reach new people in new ways

If you can't be with us in person, please join us in your personal prayers. On Oct 13, we'll post an on-line prayer experience that can help resource and guide your Harvest prayers.

You can visit www.neumc.org/cd or contact Curtis Brown (curtis@neumc.org) to find out more about our efforts in strengthening existing churches and starting new churches.
