

Short Term Continuing Education and Spiritual Growth Program Grants
Ministerial Education Fund (MEF)
The New England Conference of the United Methodist Church

The purpose of the Short Term Continuing Education and Spiritual Growth Program Grants is to fulfill the intent of paragraph 351.1 in the 2012 United Methodist Book of Discipline, stating that *“Throughout their careers, clergy shall engage in continuing education for ministry, professional development and spiritual formation and growth in order to lead the church in fulfilling the mission of making disciples for Jesus Christ. This shall include carefully developed personal programs of study augmented periodically by involvement in organized educational and spiritual growth activities.”*

To that end, these are the guidelines for granting funds:

1. Grants are available to all clergy under appointment by the New England Conference (including full time local pastors, part time local pastors, provisional members, associate members, diaconal ministers, elders, and deacons.)
Persons on Leave of Absence or Medical Leave or retired clergy (not actively serving an appointment) or clergy on Extension Ministry may request funds and grants will be determined on a per case basis.
Affiliate members should first seek funding from their home conference, but may be considered for financial assistance on a case-by-case basis, with such factors as financial need, and recommendation from the District Superintendent being taken into consideration.
2. Because of the importance of Continuing Education, we are not limiting funds to denominational, national or regional programs, but invite you to consider various possibilities for your growth, including individual study/events to help you acquire new skills/training/transitioning out of ministry events, etc. You will be required to get the approval of your District Superintendent, as noted on the application.
3. Grants do not cover degree programs, Provisional Academy, Local Pastor’s School, CPE programs, long-term study leaves, sabbaticals or spouses or families.
4. We encourage you to send the completed applications to the Continuing Formation & Spiritual Growth Committee four weeks prior to the beginning of the program to ensure you receive a check in time. Incomplete applications will not be considered.
5. Applications must have the signature of approval from the District Superintendent and the Chairperson of the Pastor-Parish Relations.
6. Total financial assistance shall not exceed \$500.00 per year.
7. Applicant will be expected to contribute toward the program/event and seek funding from other sources, e.g. local church, or employer, in the case of Extension Ministries.
8. Applicants must be enrolled in a program/event that is directly related to their ministry.

9. When it appears that applications for continuing education funds assistance may exceed the available funds, the Committee reserves the right to determine priority of grants.

10. Within a month of the completion of the program for which a grant has been made, we request that you fill out the form on the following page as an evaluation of the program. We are hoping to be able to share effective, quality events with colleagues. Please submit form to the Continuing Education Committee of the Board of Ordained Ministry. Rev. Matthew J. Wissell (mjwissell@gmail.com).

11. It is strongly encouraged that persons who have received assistance **inform their congregation of the amount of support they have been given, and that this support is made possible by local churches' payment of the Ministerial Education Fund portion of their annual mission shares.**
