

2019 EXAMPLE OF HOW TO CALCULATE APPROXIMATE CRSP PENSION COST TO CHURCH & PASTOR with 2019 new Defined Benefit (DB) figure

NOTE: Pension Benefits do not apply for less than 50% Total Appointment and the following Conference Relationships: Lay (LM) Supply (SY), Coordinating Pastor (CP), and Retired (RE). Also, if status is Sabbatical Leave or Medical Leave without disability approval.

FIRST: Calculate Plan Compensation

Use 2019 cash salary + housing allowance OR

If you have a parsonage: Take 25% of the cash salary to figure parsonage value and add that to cash salary. This amount = Plan Compensation Figure⁴

Example: (when parsonage provided)

\$40,000 cash salary X 25% = \$10,000 parsonage value. Now add \$10,000 + \$40,000 = \$50,000 which becomes your plan compensation figure.

SECOND: Calculate Pension Amount

You take plan compensation figure, multiply by 7%

(4% for Death & Disability Plan (D&D)⁵ and 3% for DC³),

add \$5,728 DB² per Full Time Employee 1 = Pension Amount.

Use correct Defined Benefit (DB) amount; (Full Time appointment DB = \$5,728) (¾ Time appointment DB = \$4,296) (½ Time appointment DB = \$2,864) (¼ Time appointment DB = \$1,432)

Example: using figures from above example

\$50,000 Plan Compensation Figure x 7% = \$3,500 + \$5,728 = \$9,228 Annual Pension amount for Full Time Appointment using the above information.

(Part time is prorated by % of appointment, in quarter time increments .75%, .50%, .25%)

FOR LESS THAN FULL TIME:

Part Time Local Pastor (PL), Full Member of another denomination (OF-MOD), Student Local Pastor (SLP) (¾ OR ½ TIME APPOINTMENTS PLEASE USE (3% for DC NOT 7%).

For less than ½ time appointment please see below**

Example: Half Time (½) Appointment with Parsonage, using \$20,000 cash salary and 25% Parsonage Value PV

\$20,000 cash salary X 25% PV = \$25,000 Plan Compensation Figure x 3% DC (Less than FT LP) = \$750 + \$2,864 (½ DB) = \$3,614 Annual Pension amount for Half Time Local Pastor

****For Less than 50% appointments:** 2012 General Conference Legislation no longer allows CRSP for less than ½ Time appointment. The Conference Board of Pension strongly encourages local churches with Clergy appointed less than 50% to support these clergy pensions with an amount equal to at least ten percent (10%) of these pastors' salaries through the United Methodist Personal Investment Plan (UMPIP).

Contact Wcspath Benefits & Investments regarding UMPIP contributions at 800 851 2201.
