

PASTORAL RECORD

Note: The asterisk (*) indicates the date admitted on probation; the open asterisk (⌘) the date ordained deacon (if different from probation date); the dagger (†), date admitted into full membership; the double dagger (‡) the date ordained elder (if different from the full membership date); the caret (^), the date transferred into the New England Conference or one of its predecessor conferences; **D**, Disability or Incapacity Leave; **F**, Family Leave; **L**, Leave of Absence; **R**, Retired; **S**, Sabbatical leave; **S’y**, Supranumerary.

The year listed indicates the beginning of the appointment year and unless otherwise stated it is assumed that the person completed the appointment year the following June. Hence a person listed with only 2002 after their name would have served from July 1, 2002 through June 30, 2003. If you have any questions or corrections to be made, kindly write the Conference Secretary, Ralph R. R. Oduor, PO Box 249, 276 Essex Street, Lawrence, MA 01842-0449, or email oduorrr@verizon.net, or roduor@neumc.org. Thank you for your assistance.

Records prefaced by the question mark (?) are tentative and subject to correction. Pension years are not recorded until one full year after transfer into the Conference.
