Automatic Clearing House (ACH) Authorizations: ACH transactions are electronic payments created when the church Pastor, SPRC Chairs or Treasurer gives the Conference authorization to debit directly from the churches checking or savings account for the purpose of bill payment. Additionally, utilizing the ACH option for pastor pension and/or health insurance payments provides a discounted premium! Authorizations are to be submitted annually for each bill. Authorizations are completed electronically via the Church Dashboard in the People Portal found on the Conference website <https://www.neumc.org/welcome-portal>

***** 2023 ACH enrollment for insurance invoices must be done via the Dashboard in December*****

****** Paper ACH enrollment forms remain in place for property, workers comp and mission shares at this time*****

2022 Pastor's Share Co-Pay or Excess Premium Credit

Active Pastors in Health Insurance coverage **may** have a personal contribution for their health insurance plan, known as the pastor's co-pay. The insurance premium co-pay for the Pastor will be determined by the health, dental and vision plans the Pastor elects during the annual election period in the fall of every year.

The pastor's health insurance premium co-payment is a pre-tax payroll deduction. Other accounts that have a pre-tax payroll deduction include Flexible Spending Accounts, Health Care and or Dependent Care Accounts, and Health Savings Accounts. More information can be found on the [HealthFlex page](#) on our website.

Health Check

Pastors can reduce their medical plan deductible for 2023 by \$250 for single coverage or \$500 for family coverage by completing the Health Check (formerly Health Quotient) online health assessment. Pastors and covered spouses must *both* complete the Health Check by Aug. 31 to get these savings. To take the Health Check, log in to the [Virgin Pulse® website](#)

The Health Check is available to HealthFlex active plan participants only.
